

Exciting Visuals, Enjoyable Office Experience

Vivid Performance: Exceptional Visuals

1080P Resolution | 100Hz Refresh Rate | 23.8" Low Blue Light Screen

1080P Full HD for Crystal Clear Details

Experience crystal-clear clarity whether you're viewing spreadsheets, documents, or videos. Say goodbye to grainy images.

Vivid Performance: Exceptional Visuals

Wide color gamut, high contrast, and high dynamic image analysis with rigorous factory calibration ensures clear dark areas and detailed bright areas, perfect for design tasks.

Note: the relevant data are for reference only. The specific parameters shall be subject to the actual product. The data were carefully checked for accuracy. There's no notice of any change in product function and specification, and the company reserves the final interpretation right to the relevant contents in the data.

100Hz Refresh Rate for Efficient Work

With a refresh rate of up to 100Hz, enhance your work efficiency and meet the dynamic display needs of everyday entertainment. Experience no ghosting or lag, perfect for both work and play.

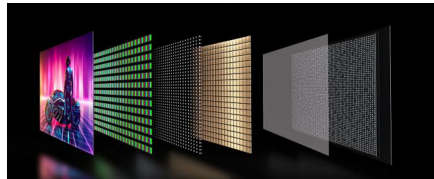

5ms Response Time: Perfect for Office and Gaming Usage

Enable Overdrive for faster response times. Whether creating fast-moving images at work or gaming leisurely, enjoy a smooth, fluid experience.

Three-Sided Frameless Design for Immersive Multi-Screen Experience

Blue Light Filter: Flicker-Free Viewing

Ergonomic Stand for Continuous Comfort
